Chairman Day called meeting to order at 7:08 PM.

1. Day read email from Barbara Skuly from ARLAC requesting additional \$50 (to the \$100 already approved) to pay for phosphorus testing at 6 Swanzy sites (scheduled for September 14) and the two sites near Slate Bridge already tested for *e.coli*, per request by the SCC. Coburn motioned to support the testing with the additional \$50. Goodrich seconded. All in favor 4-0-0

2. ARLAC: October 2 River Clean-up: Members showed interest in the clean-up, but unavailable to commit. Day to contact ARLAC and Amanda Costello and possibly will coordinate a Thompson Bridge area clean-up.

3. Day read emails from Sara Carbonneau (and forwarded by Carbonneau from Tom Duston (Chesterfield CC) and Suzzanne Whittemore) concerning California Brook Project. After discussion, no motion was made to take any further steps. The SCC yielded the decision concerning the gates to BOS. The SCC will comment later if BOS requests input.

4. Morrison motioned to adjourn. Johnson seconded. All in favor 5-0-0.
Meeting adjourned at 8:10 PM.

Respectfully submitted,
Michael Day, chair
