

Swanzy Conservation Commission  
Minutes  
June 8, 2010 7:00 P.M. Town Hall

SCC Members Present: Michael Day [chair], Steven Stepenuck [vice-chair], Deb Crowder, Gary Coburn, Michael Morrison (arrived 8:45 P.M.)

1. Swanzy Lake Hosting Program: Sue and Martha Zimmerman requested \$500 for Lake Hosting Program to pay student lake hosts. Stepenuck motioned to allocate \$500 to the program. Crowder seconded. Vote all in favor 4-0-0.
2. BOS request for recommendations concerning septic system on Richardson Park: The SCC analyzed the plans and the May 11 letter from Beth Fox. Day and Crowder motioned to write a letter to the BOS saying that "The SCC is in favor of replacement of the septic system because it is more efficient, safer, and smaller than the existing septic. We are concerned about the expansion of the septic system due to the probability of future additional impervious surfaces in the comprehensive in the shoreland protection zone. We have additional concerns, but do not feel adequately informed to offer additional comments or recommendations. We are uncertain as to which of the three plans is preferred, nor do we understand the legal controversy that has surrounded this process. Therefore, we would require a more detailed explanation before we can make an informed recommendation." Seconded by Coburn. Vote all in favor 4-0-0.
3. Minimum Impact Expedited Application for Tax Map 32, Lot 19-26: SCC reviewed the application. Day phoned and left a message for Tom Forest requesting to speak about the SCC's best practice for the wetland crossing to meet the "minimum impact criteria." Stepenuck and Day to write comments and speak with Tom Forest before the application can be signed.
4. Mount Cresson: Day read field report dated April 12, 2010 about the dirt and debris pile on town owned land. SCC plans the following actions:
  - a. Site Walk June 10. 7 PM. Meet at railroad junction with Sawyers Crossing Road.
  - b. Trail-Work Day: June 21 8 AM.

Due to the time, Day asked the SCC to look at the agenda to see if any item needed immediate attention. All remaining items postponed to the July meeting.

5. Minutes: Day motioned to accept the May meeting with the corrections concerning Stepenuck's presentation. Stepenuck to prepare minutes from May presentation to be included in May's minutes. Coburn seconded. Vote in favor 4-0-1.
6. Motioned by Morrison to adjourn. Coburn seconded. All in favor 5-0-0. Adjourned at 9:36 P.M.

Respectfully submitted by Michael Day [chair].
