This map is the property of the Town of Swanzy.

Data sources include NH GRANIT and the Town of Swanzy. Some data shown may have been created by the Southwest Regional Planning Commission (SWRPC) for the town of Swanzy and are used by permission. Boundaries have been modified to fit the Swanzy Tax Parcels and do not represent legal boundaries.

Shoreland Protection shown is in accordance with the New Hampshire Comprehensive List effective August 31, 2009. Districts shown are approximations. Final determination of the protected shoreland must be verified in the field.

The map was created in ArcView 9.3.1 (ESRI) by Dan Zeh, September 13, 2009. Last rev December 2, 2009; corrected shoreland zones around lakes. The map scale is 1:12,000, or 1" = 1,000 ft. when printed at full size, 43.5" x 60".

1" = 1,000 ft.
