Town of Swansey Introduces Email Update Subscription Service

The Town of Swansey is pleased to offer a free email subscription service through the Town's website, which allows you to receive alerts by email when new information is available. With a subscription profile, you automatically receive information in the categories you select directly from your Town government.

To subscribe, all you need is a valid email address. Visit our website at www.town.swansey.nh.us, select email updates on the left hand side of the screen, and then select the topics that interest you. Your email will only be used to deliver the requested information. Once you have signed up please do not forget to validate your email address by clicking the link in the email you receive.

Board of Selectmen Bill Hutwelker stated, "We are happy to be able to bring this service to the residents and taxpayers of Swansey. This new feature is part of the Town's continued effort to make more information regarding Town government available online and to get that information into the hands of our citizens."
