

Master Plan Subcommittee
January 15, 2015

Note: Draft Minutes are subject to review, correction and approval. Review and approval of Minutes generally takes place at the next regularly scheduled meeting.

The January 15, 2015 Master Plan Subcommittee met at 4 p.m. at Town Hall. Present: Don Skiba and Scott Self. As there were only two members present, there was not a quorum for the meeting. Planning and Community Development Director Sara Carbonneau was also present.

Members present discussed some concepts for the Master Plan update, including keeping a Utilities Department (should one be formed) separate from the Department of Public Works. Also discussed was the West Swanzey Water Company and whether it has a formal agreement with the Homestead Woolen Mills regarding the wells – the answer to this question was not known by anyone present. Finally, those presented stated that securing a water source is extremely important for economic development in West Swanzey.

Next meeting is scheduled for Thursday, February 19th at 4 p.m.
