The meeting was called to order at 3:00 PM by Committee Chairman Pete Johnson

The Committee reviewed the bids for the furnace. The Committee agreed to go forward with a recommendation for the Phinney Plumbing and Heating bid and to present that request to the selectmen tonight.

It was noted that Gerry Bussiere would remain on the Committee. Committee members are pleased as Gerry has a lot to offer Whitcomb Hall.

Mike Gomarlo will look into the particulars of having the gas stove hooked up when it is the appropriate time.

The Committee was informed of an offer of a fire protection system for range hood at a price not to exceed \$2,000.00. The Committee voted to approve that. Lee Dunham will do the necessary notification to Guyette Fire Protection that the Committee wants the system as discussed with them.

It was noted that Marion Bedard will be away from the Committee for a spell due to her husband having a stroke. We wish Marion and Armand well and hope that Marion will continue with the Committee in the future.

Next meeting date will be March 1, 2016 at 3:30PM at the DPW conference room.

Motion was made to close the meeting by Gail Wood, second by Mike Gomarlo and voted by Committee adjourned at 4:30
