Whitcomb Hall Committee March 29, 2016 Meeting Minutes

Members present: Pete Johnson, Sharon Greatbatch, Gail Wood, Lee Dunham, Ann Bedaw, Mike Gomarlo, guest Rick Robidoux

Whitcomb Hall Committee Meeting opened 3:30 PM at the DPW Garage Conference room.

Review and Discussion of current renovation project.

First noted was that things are moving along quite nicely and that many things are underway. Plumbing is being installed, walls replaced and/or redone. Front entry is nearing completion with the only outstanding items are the lights and the railings on the steps otherwise the entry looks lovely.

Brad Brewer has replaced all of the existing holes in the floors left over from the old heating system. It is wonderful that we have left over wood from when the floors were installed 100 years ago so obviously we have a perfect match. Once the floors are sanded and poly applied it will be extremely hard to tell where the old floor vents were.

Lee Dunham will be checking on the status of the granite lamp posts to hold the copper lights donated by Mae West.

Discussion about the overhead lighting in the great room downstairs, committee thinking about various options for the lighting, wall sconces, replacement of existing wires, using LED bulbs, etc. Also replacement of existing lighting fixtures.

Kitchen is moving along nicely with several kitchen cabinets donated along with dishwasher, gas cookstove, range hood, microwave, refrig, three bay stainless steel sink. Very little money will be needed from the Whitcomb Hall funds to complete the kitchen due to the generous donations.

Discussions of the front sidewalks replacement and new addition of a walkway to the parking lot. All of these costs come out of the Snow Sidewalk Fund not Whitcomb Hall.

Committee agreed to meet again on April 12, 2016 to review progress and to discuss fund raising.

Meeting Adjourned at 5:00 PM
